LAND DISPOSAL RESTRICTION NOTICE

ISO 14001 Certified Recycling Facility

DOOZ

A copy of this Notice must be retained by the Generator for at least three (3) years, pursuant to U.S. EPA Regulation 40 CFR §268.7(a)(8). Moreover, the Generator should check the hazardous-waste regulations of his/her own State, inasmuch as, if there is a State analogue to the federal regulation, it may require a longer retention time, such as five (5) years. It should also be noted that the federal regulation—and, typically, State analogues as well--requires the retention period to be extended further in specified cases.
